To protect the character and identity of the town by maintaining the open and spacious character, and transition from rural to residential areas, along Geelong-Ballan Road and Old Melbourne Road.

To maintain a streetscape rhythm of predominantly detached dwellings.

To ensure garages, carports and second storey development do not visually dominate dwellings or streetscapes.

To encourage new development to provide front setbacks sufficient for canopy tree planting, with minimal front fencing or low scale open front fencing.

To encourage landscaping that complements the natural environment and the country 'feel' of the township through the use of native and non-native plantings.
