Create investment certainty by detailing enduring land use directions for industrial land.

Support the growth of service-based industries within the Shire by encouraging the development of appropriate service facilities.

Support the diversification and growth of the Shire's industries and trades by supporting the development of a new and contemporary industrial precinct.

Support the capacity of the Shire to attract new industries via the establishment of a new and accessible industrial precinct.

Reduce the potential for land use conflict by minimising the incidence of incompatible land uses and ensuring buffers are applied between growing residential uses and established industrial areas.
